STATEMENT

20

21 This bill supplements the FY 2020 appropriations act by
22 appropriating \$200,000 to the Delaware River Basin Commission.
23 The anticipated appropriation for the Delaware River Basin
24 Commission is \$693,000 for FY 2020, \$200,000 short of the State's
25 full fair share of annual contributions by signatory parties to the
26 commission. Based on the tacit agreement reached by commission
27 members in 1988, New Jersey's full fair share of annual
28 contributions by signatory parties is \$893,000. This bill would
29 provide the additional \$200,000 necessary for New Jersey to reach
30 its full fair share of funding for the commission.
